## Look at your Fingerprints.

- Did you know no one else in the whole entire world has fingerprints just like yours?
- Use the ink to make fingerprints on the paper magnifying glass. Use a real magnifying glass to get an up-close look at them.

*Please clean your hands with a baby wipe before using a new color.*

- ## All About Me
- Use the tape measure and scale to discover your height and weight.
  - Fill in the rest of the paper.
  - You can color the page if you'd like.
