

Who Cares for Me?

How to Play

- Tape secret card on each players back.
- Player should not know who is on their back.
- When it is their turn to play, they show everyone their card.
- Player asks yes or no questions to the group.
- If they ask a "yes" question, they may ask another question.
- Turn ends when they either ask a "no" question or they correctly guess who cares for them.
